National Online Faculty Development Program
'ARCHI-NARI' - A WOMEN'S PERSPECTIVE IN ARCHITECTURAL CAPACITY BUILDING

Date : 8th March,2022 - 11th March, 2022 (10.15AM - 03.30 PM)

In today's world, it is fair enough to say that, we are living in a society which is being shaped significantly by women. Women have always been the crucial players in all the philosophical, pedagogical and practical spheres, focusing on Architecture and allied fields. This unique event scheduled to start on the International Women's Day, will focus specifically on the women architects across India and realise the different paths which they have taken in their professional field. In addition to this, the motive is to acknowledge their professional journey while understanding their informal journey, their approaches to overcome their challenges and thereby celebrate their accomplishments.
