Outcome-Based Education: Research Methods & Techniques in Architecture and Planning

From 11th April 2022 to 15th April 2022 (Monday-Friday)

Two session per day from 2:00PM to 5:00PM

Preamble

The aim of the FDP is deliberations on intricacies of research particularly in the field of architecture and planning while identifying the gaps and suggesting future reforms therein. Implementation of Outcome-based education (OBE) for the Higher Education System in India is at an evolving stage. This Faculty Development Program is specially designed to discuss, deliberate and come up with Outcome-Based Education: Research Methods & Techniques in Architecture and Planning. The early-career researchers, academicians and other participants will have a great opportunity to learn from the esteemed panel of experts who shall deliver expert talks on various topical issues related to the topic. The purpose of this program is to provide an opportunity for distinguished scholars/ researchers/teachers in India to engage with the young faculty members and share their experiences and perspectives relating to outcome-based teaching and research in the field of Architecture and Planning.
