ABOUT

K.R. Mangalam University

K.R. Mangalam University is a fast-growing higher education institute in Gurugram, India. Since its inception in 2013, the University has been striving to fulfill its prime objective of transforming young lives through ground-breaking pedagogy and global collaborations towards the progress of the nation.

At **School of Architecture & Design** students pursue architecture and design related courses to construct sensitive habitable spaces. The programmes equip the students with knowledge, skills, and attitude to attain capabilities required to understand current scenarios and address future challenges in this field. The curriculum balances creativity, aesthetic understanding, and skills along with ethical practices.

COA- TRC, Bhopal

The Government of India had initiated two major campaigns, namely the Startup India initiative, and the National Mission for Skill Development. Keeping in view these recent initiatives, the Council of Architecture has now decided to open its academic and research wing through the establishment of **Council of Architecture Training and Research Centres (COA-TRC)** at five zones in India, with Bhopal as one of its Centre. The purpose of this COA-TRC is to nurture a culture of entrepreneurship in the creative minds of young architects and designers so that their ideas metamorphose into newer and niftier products or services capable of being utilized commercially.

K.R. MANGALAM UNIVERSITY
THE COMPLETE WORLD OF EDUCATION

National Conference
on
"Multidisciplinary Aspects of Architecture and Planning: Enhancing the Connections"

Jointly Organize by

Council of Architecture -Training and Research Centre, Bhopal
and
School of Architecture and Design, K.R. Mangalam University, Gurugram

01st – 03rd June 2023

Selected paper will be published in UGC / Scopus Indexed Journal on the term of the respective journal

Remaining papers will be published in book format with ISSN

SUBMISSION INFORMATION

- Papers should not exceed 7 page, including all figures and references
- Paper will be peer-reviewed by at least two experts from the technical program committee following a single-blind review process (i.e., the identity of the reviewer is hidden, but the authors' names and affiliations should be included in the submission)
- Paper will be evaluated based on relevance, soundness, novelty, practical relevance and potential impact

WHO SHOULD PARTICIPATE

This national Conference is aimed at Academicians/ Architects/ Planners/ Engineers/ Policy Makers/ Bureaucrats/ Ph.D. Scholars and UG/PG students who are desirous of attending and presenting their research during the conference sessions.

CALL FOR PAPERS

The major intent of the conference is to provide a national platform to discuss all aspects of architecture and design and promote research in the field. It will focus on themes like Improvement in everyday urban life, Urban conservation, History & Criticism, Technology & Management on Architecture, Design and Planning and Pedagogy.

The approach should be holistic and include built environment, development of materials, conservation & regeneration of spaces, sustainability and subjectivity of thought amongst the learners. Thus, this conference offers an interdisciplinary platform to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered, and solutions adopted in the field of Architecture and Design.

CONFERENCE THEMES

Sub-Theme-1: Need of Improvement of Everyday Urban Life with a strong focus on functionality, livability and sustainability

- Urban Scenarios
- Climate Responsive Design
- Sustainable Development
- Urban Planning
- Future Scenarios of cities

Sub-Theme-2: Application of Urban conservation, History & its Criticism in Architecture, Design, Planning, and Innovation

- Urban Regeneration
- Critique Buildings & settlements
- Architectural Practice and Analyzing Built Environment

Sub-Theme-3: Application of Technologies and Management in Architecture, Design, Planning, and Innovation.

- Trending Technologies
- Smart Materials
- Waste Management,
- Construction & Project Management

Sub-Theme-4: Need for a breakthrough in architectural pedagogy with a focus on the subjectivity of thought amongst the learners.

- Innovation in pedagogical approach
- Learner centric teaching learning process
- Strategy for inclusion and equity in teaching
- Evaluation and quality control paradigms

KNOWLEDGE PARTNER

Council of Architecture

INTELLECTUAL PARTNER

PMCA

SRM INSTITUTE OF SCIENCE & TECHNOLOGY
(Deemed to be University u/s 3 of UGC Act, 1956)

REGISTRATION FEES

For Indian student	**INR 1000**
Indian Academicians/ Professionals	**INR 1500**

As per the journal requirement extra payment will be made apart from registration fees
