

PRESENTS

# National Online Faculty Development Program Sustainable Hillside Development 2022

Date: 14<sup>th</sup> February, 2022 to 18<sup>th</sup> February, 2022 (Monday to Friday)

Time: Afternoon 2pm - 5pm

The programme is to educate and sensitize the various researchers and stakeholders about the context, experience and challenges an architect or planner faces while designing and executing construction in the hillside area. As the current era faces a tremendous challenge due to rampant unchecked development and sudden large scale disasters, a sustainable vision during the construction and planning phase can be the careful next step which such areas need to focus upon. The programme invites several eminent academicians and professionals to share their experience and knowledge about the hills and the attempt by its people to slowly morph its relatively harsh challenges into opportunities to become a beacon of development in the future.

## NOTABLE SPEAKERS

Registration Fees :

For Academicians/Professionals (INR 3000/-)

**Prof. Pushplata**

Understanding Sustainable  
Built Environment in Hill  
Areas

**Dr. Ashwani Kumar**

Development  
Regulations for Hill  
Towns of India

**Ar. Amit Kumar Singh**

Alternative construction  
techniques for sustainable  
design in Bhimtal

**Ar. Rahul Bhushan**

Building resilient future  
using empirical  
knowledge

**Ar. Nipun Prabhakar**

Working with the monks: story  
of building community-led post  
earthquake housing

**Dr. Suryendu Dasgupta**

Built Heritage Conservation  
as a Marker for Sustainable  
Urban Development in Hill  
Stations

**Dr. Harsimran Kaur**

Measuring Urban  
Sustainability of Hilly  
Areas

**Ar. Prashant Pradhan**

Form Follows Context:  
Adapting Architecture to the  
Environment

**Ar. Namrata Talukdar**

Planning and Design of  
Future Smart Hill Cities:  
Case of North-Eastern  
Settlements

**Prof. Abraham George**

Sustainable Hillside  
Development:  
A way forward

- o Kindly send scanned image of payment proof on [coatr.c.bhopal@gmail.com](mailto:coatr.c.bhopal@gmail.com) for registration.
- o ONLINE PLATFORM : Zoom (Links would be provided on 13th February 2022)
- o MCQ test will be conducted on the last day (mandatory for all the participants).
- o E-certificates of the program will be sent via registered email ID of participant after successful completion of program.
