**ALL THE HEADS OF ARCHITECTURAL INSTITUTIONS IMPARTING
RECOGNIZED ARCHITECTURAL QUALIFICATIONS IN INDIA**

**Subject : Non-filling up of at least 30% seats in B.Arch. Course by Architectural Institutions
in last three consecutive years – reg.**

Dear Sir/ Madam,

The Council at its 69th Meeting held on 13th and 14th April, 2018, considered that there are several Architectural Institutions in the country which are not able to fill up even up to 30% of their sanctioned intake in 5-year B.Arch. Degree Course. This seems to be the basic reason on the part of these institutions for not being able to recruit proper faculty as well as improving their infrastructure facilities. Because of this, these institutions are caused to impart deficient education to students.

The Council, after thorough deliberations, resolved that the architectural institutions which are not able to fill up 30% of their sanctioned intake in B.Arch. Course consecutively for past three years be advised to close down by following the prescribed procedure. The period for counting the sanctioned intake would begin from the academic session 2018-2019 onwards.

Accordingly, the institutions are advised to note that those Architectural Institutions which are not able to fill up even up to 30% seats of their sanctioned intake in 5-year B.Arch. Degree Course consecutively for three years from the academic session 2018-2019 may be asked to apply for closure of the course as per the laid down procedure by the Council.

Yours faithfully,

R. K. Oberoi
